NEIGHBOURHOOD PLAN

Public Consultation

We're now ready for the next stage which is a public consultation, known as Regulation 14. This is where residents and other stakeholders get to review the draft plan document and policies in detail. This is a formal consultation and will last up to 6 weeks. This is your chance to have your say and formally put forward comments, as you would with a planning application.

There will be a launch event where we look forward to meeting residents to discuss this important project. Look out for a leaflet through your door and other visuals around the village explaining when and where.
